

## **COMMUNITY WELLBEING TEAM**

**We are a team of Nurses and Healthcare Assistants  
employed by Solent Medical Services working for the NHS**

We receive referrals from Health, Social Care and Voluntary Providers to our service. We will contact you for consent to arrange an appointment in a clinic setting or in your own home convenient to you.

Tel: 023 8029 6070  
Mon-Fri 08:30 - 16:30

### **What do we offer?**

The service is NHS funded and offers a Health & Wellbeing Assessment to those aged 18+ and registered with a GP in Southampton City. The service is aimed at non-urgent care and therefore all appointments are planned.

### **What can I expect from the Service?**

An appointment can be arranged at your convenience in our outpatient clinics or in your own home. This will involve an assessment to identify and discuss your Health & Wellbeing Needs. Although we are a team of healthcare professionals, we also offer support and improve access to other services including Voluntary Organisations.

## Service aims

- Quality time to identify Health & Social Concerns
- Support self-management of health conditions
- Improve independence
- Enhance quality of life
- Ensure a positive experience of care

If you are registered with a GP surgery within Southampton City and feel you may benefit from our service, please speak to your GP or contact us direct.

## Compliments / Comments

Should you wish to formally comment on our service please contact the main office:
